

DIGITAL TRANSFORMATION

QUICK START GUIDE

1

DREAM BIG

Close your eyes.

If you start from scratch...

How would you re-build your facility?

This will become your road map.

Your living breathing guide.

2

START SMALL

The whole project will not be done in one phase.

Pick an area where you can succeed and make a major impact.

3

IMMEDIATE IMPACT

- Start strong.
- Show measurable results.
- Show return on investment.
- Prove the plan.

4

GARNER BUY-IN

We need wide spread support.

From Executives and the shop floor.

Starting small and making an impact will rally support around a Digital Transformation initiative.

5

SHOW RESULTS

Results are what matter:

- Return on Investment.
- Quicker cycle times.
- Less menial tasks.
- Buy in from the top floor and the shop floor.
